NOTICE

We have 1,300 bearing peach trees, 1,000 Cherry, Pears, Plums, many varieties some fine for home use, but some others not so good get the MONEY dont forget when you buy.

WE grow fruit ship it fresh and canneb we got two State and other premiums this year, as Secy. of two fruit growers Assn's. we also learn which does best and gets the money. Our suggestions are yours for the asking dont trust to luck, ask us or the Experiment station. keep in touch with them, they are your best friends in this business.

This is to Certify. — That the nursery stock growing on the premises of Jas. A. Slote of HATFIELD, ARK. has been inspected by a duly authorized Inspector in accordance with Act 319 of ARK. and that said nursery stock has been found to be apparently free of all dangerous and injurious insect pest and plant diseases. This Certificate is void after Sept. 1, 1915 but may be previously revoked for cause — State Entomologist,

Gen. C. Becker.

All the TREES 3 to 6 f.
